SMARTHOME

SMART HOME

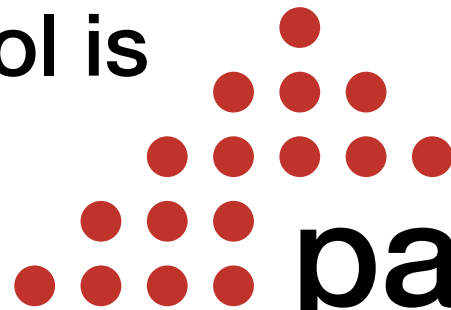

SMART LIVING

It's time to step back from the ordinary and rediscover your lifestyle.

GET SMART. TAKE CONTROL.

control is

passion

DISTRIBUTED AUDIO.

TACTILE TRANSDUCER.

Unique audio systems smart enough to meet the diverse tastes and lifestyles of every member of the family. One now has the flexibility of listening to the radio in the kitchen, satellite audio in the den, MP3 in the garden and Cd's on the patio...

A complete multi source, multi zone audio distribution system.

The Sound Of Music. The Sound Of Living.

control is

vision beyond

DISTRIBUTED SATELLITE / VIDEO.

COMPLETE HOME THEATRE SYSTEM.

INFRA RED NETWORK.

AUDIO / VIDEO LIBRARY.

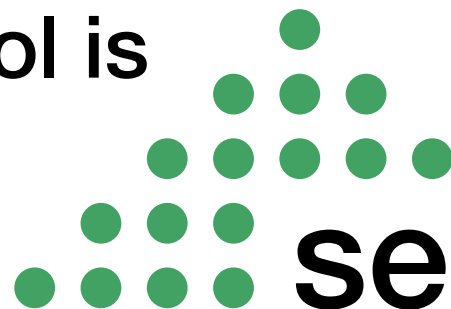

Think Big. See Big.

The ultimate in home entertainment. Make movie watching an incredible realistic experience allowing different satellite television channels to be viewed from any TV in the house. Sharing streaming video's, family pictures, viewing in-house and outdoor cameras... all of these from your TV is now a reality.

control is

security

SECURITY ALARM.

ACCESS CONTROL.

FIRE / GAS LEAK ALARM.

CCTV CAMERAS.

ELEVATOR EMERGENCY PHONES.

POOL GUARD AND POOL EYE.

State-of-the-art multi zone, web-enabled security system sends intruders fleeing the moment they attempt to step into your home. Cameras for every surveillance need. Keep an eye on your loved ones even when you are not at home.

Enter your home, even if you forgot the keys. Your entry made easy with complete keyless solutions. No more hassles carrying keys around, just punch in the access codes or pass the priority tag near the reader and let the doors open for you.

A Secure Home. A Secure Future.

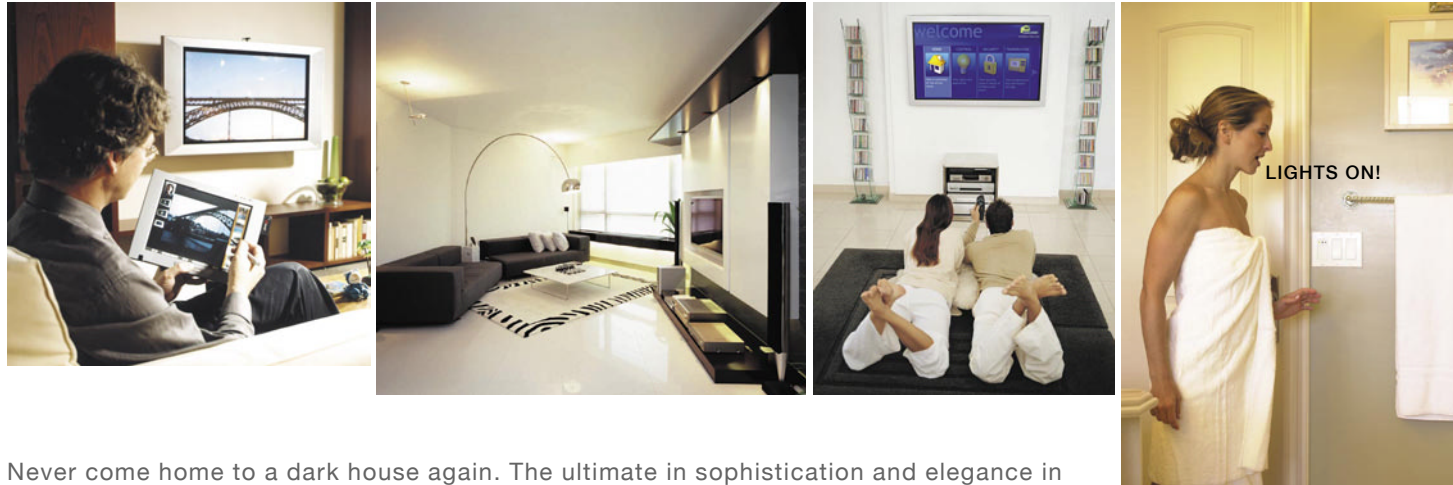

A woman with dark hair and bangs, wearing a red long-sleeved shirt and blue jeans, is sitting on a grey couch. She is smiling and holding a black remote control in her right hand, pointing it towards the camera. The background is dark, and the lighting is focused on her.

 **obsession**

SMART HOME COMMANDER.

LIGHTING AND DIMMING AUTOMATION.

A Touch Of Class. A Touch Of Substance.

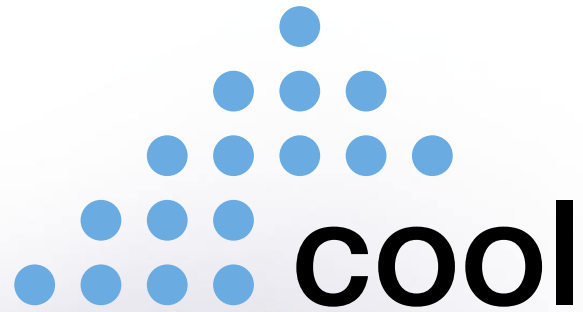

Never come home to a dark house again. The ultimate in sophistication and elegance in lighting with the smart lighting and dimming systems. A simple touch of a button fills the entire house with mood lighting for any occasion. A smart home commander that lets you control anything from a light bulb to a popcorn machine, cool your home, get your jacuzzi ready, open gates for visitors...

All of these before arriving home.

Flexibility In Control.

AIR CONDITIONING AUTOMATION.

CENTRAL VACUUM.

GARDEN AND POOL SYSTEMS.

WEATHER STATIONS.

WATER MISTERS / COOLERS.

Take control over your home's temperature with a smart thermostat built with a sleek case design that blends with the home decor. You can now customize your home to your personality. Enjoy a cleaner home and a healthier lifestyle with a central vacuuming system that's not only easier to use, but also more powerful and less noisy.

The all power solar system gives you a complete report of temperature and weather forecast. You can now check the temperature outside before planning a party or going for a picnic. No more cold shocks in the pool, an affordable, environment friendly pool heating system that takes care of your pool temperature and your wallet too.

Feel Fresh. Think Fresh.

caution

SMART IRRIGATION SYSTEM.

BMS SYSTEM.

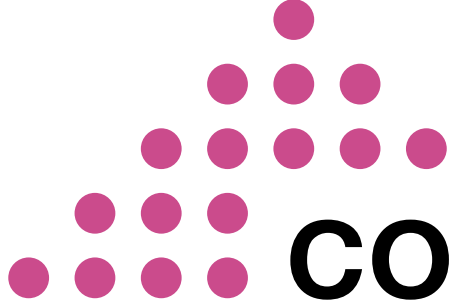

MONITORING, SMS AND VOICE ALERT.
