Kind Attn. : Mr. Firas Mazloun – CEO, Smart Group

Dear Sirs,

Greetings and Good wishes.

I bring greetings and good wishes from Institute of Indian Interior Designers.

During my visit to attend the China (Shenzhen) International Interior Design Cultural Festival known as IDFC 2012 from September 09, 2012 in Shenzhen; on your invitation I had the privilege of visiting your esteemed Company's one of the manufacturing units at Dongguan – China after the said IDFC 2012. I alongwith our President Elect Mr. Nitin Saolapurkar had the pleasure of meeting the CEO of Smart Group Mr. Firaz Mazloun who made presentations on various products and in particular Smart-BUS Automation and G-4 system which were impressive and innovative. The research and development department was marvelous and products were in tune to cater the current trends and needs.

This is to convey our gratitude for the hospitality and the information imparted.

On behalf of IIID, I would invite you to sponsor a national event of IIID in India and make presentation of your product line which according to us would benefit the Indian market and designers.

With regards,
Yours in IIID,

(Ar. Bankim Dave)
President
