

Announcement

To Whom It May Concern.

This is to announce that effective from this Year 2011 and Immediately, Smart-Group Has Assigned the Works of Smart-BUS Generation 4 Production to The New Organized Chinese Smart-Entity "Donguan Shima Electronics company". (Shima)

From This Day onwards: Donguan Shima Electronics Company shall Act as the Supply Manufacturer for Smart-Solutions G4 Series using the Smart-Mesh and Smart-BUS Technology under a New SmartCloud code addition.

We hereby guarantee the compatibility of the new generation G4 to expand and complete all Installations done prior to the Year 2011. We also guarantee not to disturb any old Installation expansions or delivery and support commitments made by our partners worldwide.

Both Shima and Smarthome Group shall implement Slow Diversion to create newer Technologies always without affecting Old Technology users preventing any damage to our Smart-Signed partners worldwide.

This announcement is valid for 3 years from 2011 until 2013 and shall be renewed yearly after.
